Director of Training

Special Instruction in CPW

REFERENCE: Memorandum for Director of Training, dated 2 December 1953
from FE Training Office, subject as above.

25X1

1. Representatives of this office discussed the requested special instruction in [] with [] on Friday, 4 December 1953. It was agreed that the Office of Training would undertake the selection and presentation of a limited amount of instruction in the [] field during the week of 7 December 1953. The inclusion of certain subjects this week will necessarily be contingent upon the availability of those PP Officers who regularly contribute to the [] course.

2. It should be clearly understood that the training provided for this group of seven employees does not constitute a complete course of instruction and their training records will not indicate this training as constructive credit for the [] Course. It is hoped, however, that this effort will assist in qualifying these individuals for participation in PP activities in the field.
